

**SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE**

July 27, 2007

Permit Number: OCRM-07-204-M
Permit ID: 59683

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Noel Weafer
C/o American Dock & Marine Const., Inc.
1533 Folly Road D-5
Charleston, SC 29412

LOCATION: On and adjacent to the Folly River at 1508 Forrest Avenue, Folly Beach, Charleston County, South Carolina. TMS#: 439-14-00-068.

WORK: The work as proposed and shown on the attached plans consists of replacing an existing dock. Specifically, the existing dock will be replaced with a 4' by 758' walkway leading to a 10' by 14' covered fixed pierhead, both with handrails. Floodside of the pierhead, a 4' by 4' platform will support a 3' x 20' access ramp that will lead to a 10' by 14' floating dock. The applicant also proposes to install a 6' by 8' single-pile boatlift ebbside of the fixed pierhead. The purpose of the activity is for the applicant private recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before August 11, 2007. For further information please contact the project manager for this activity, Fred Mallett at 843-953-0236.
